

COMPLAINTS POLICY

POLICY AIMS AND OBJECTIVES

The Society's aim is to provide an efficient, effective, and completely impartial service for all its tenants and applicants for accommodation. Despite these efforts there may be occasions when tenants, applicants, their relatives, or advocates feel dissatisfied with the service or the policies of the Society. We want to provide clarity and consistency in the way we process and consider complaints and in the way we resolve them.

We aim to resolve matters as quickly as possible by being open, accountable and outcome focused. We view complaints positively; prompt action will be taken to carry out an investigation; put things right, where we need to, and learn from any mistakes. We don't consider service requests such as repair requests or lettings requests as complaints.
